**Whereas**, AELPCS has received, reviewed, and accepted bids for such projects, and

**Whereas**, the project at the Oklahoma Avenue Campus – estimated to cost \$162,987 and to be constructed by Bliss Products -- would improve the existing playground area and transform it into an outdoor learning space that would include tables and chairs for students and teachers and a spongy surface that will provide a safer environment, and

**Whereas**, the exterior improvement project – estimated to cost up \$281,294 and to be constructed by Kerley Signs, would install signage and other improvements to improve the overall "curb appeal" for five of AELPCS’s six locations (the Parklands campus at THEARC needs no work), thereby helping with brand awareness and enrollment efforts, and

**Whereas**, the exterior improvement project would be spent as follows:

Columbia Heights	\$99,978
Douglas Knoll	29,375
Lincoln Park	26,817
Oklahoma Ave	61,424
Southwest	53,700
Permitting	10,000
<b>TOTAL</b>	<b>\$281,294</b>

*I hereby certify that the above resolution was approved and adopted by unanimous consent of the Board of Directors of AppleTree Early Learning Public Charter School effective April 26, 2022.*
